Ms Tigist Bayleyegn,

Place

FTI, meeting room

Daily timetable

Starting time 9.00

Closing time 17.00

Lunch and refreshment breaks included

AIMS

Output indication 2.3: Trained at least 15 teacher trainers of FTI on inclusion and prepared professional development plans for them. Impact: Equipped higher education TVET teacher training providers on national, regional and local levels with necessary skills and knowledge on inclusive practices in technical and vocational education to support national development efforts towards inclusive education in Ethiopia.

Goals for the week: To

- 1) Get more information about the educational needs of students with learning difficulties, especially students with hearing and visual impairment.
- 2) Get to know how to support learning, accessing and participating of students with SEN in TVET.
- 3) Embrace the teaching skills to work with students with SEN.
- 4) Find out how to work as an inclusive teacher trainer

Pre task: Please, read the article –**Prof. Raija will add here an article**
