

Post-Graduate Diploma in International Business Management

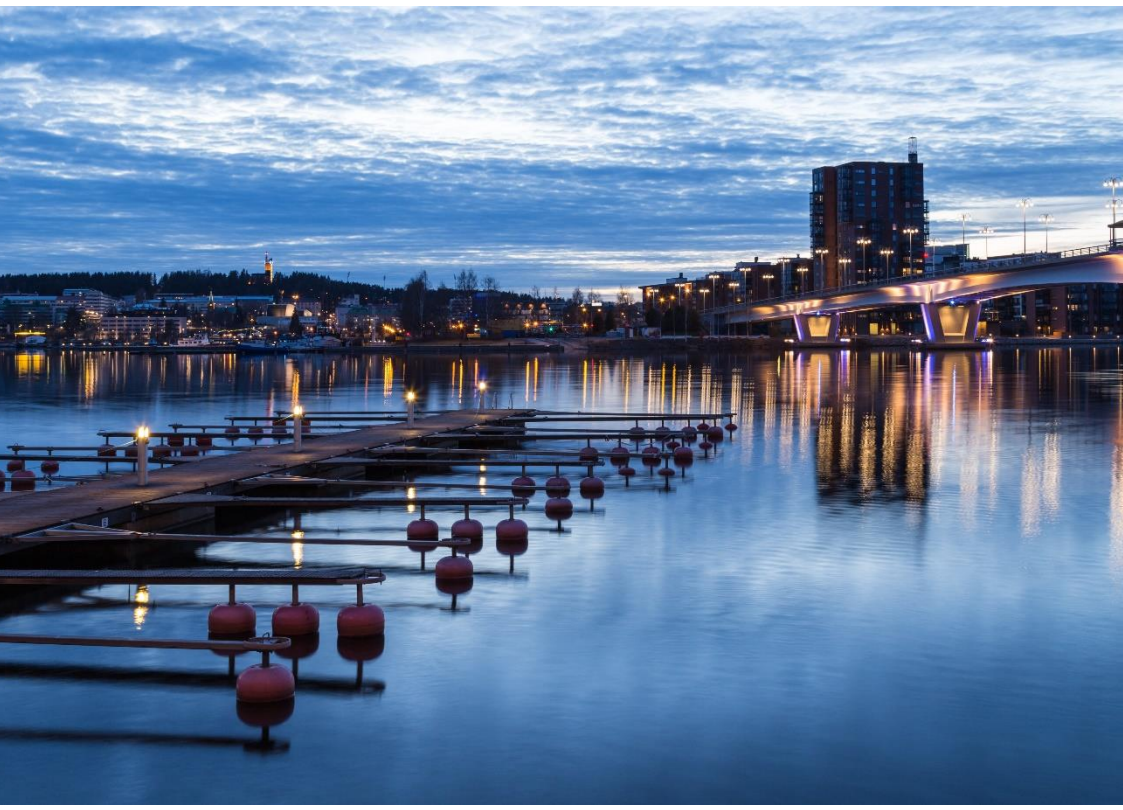

Study in Finland, in the beautiful city of Jyväskylä in Central Finland.
Jamk is intaking students for programmes starting in Autumn 2024 and
Spring 2025 - join the happiest nation in the world!

Study in Finland in English

Get a high-quality business diploma, in a safe environment, and better your opportunities for an international career in business! Our post-graduate non-degree **International Business Management Diploma** offers a wide variety of Master-level courses to give you a new boost in your career! The diploma consists of a minimum of **60 ECTS credits** delivered in two semesters. The academic content of the programme is at the **master's level** (EQF 7-8).

The principal focus of this continuing education programme is to enable the participants to **develop professional skills, innovate new ideas, solve complex business problems, and explore new business opportunities in global context.**

Eligibility of Applicants

You can apply to the programme when fulfilling the following criteria:

- a relevant Bachelor's degree conducted in English (degrees of less than 3 years will not be considered) from a nationally recognized higher educational institution **and**
- min. IELTS Academic 6.0 or TOEFL 60 or PTE Academic 52.

Note: Post-bachelor work experience (min. 24 months) is preferred, but not a requirement. However, it is required if you continue your studies in a Master's degree at Jamk.

The qualified applicants will be invited to an individual interview. The **interviews are usually organized on a monthly basis** by Jamk's Global Education Services team.

Delivery Mode

The programme is delivered as a full-time in-class programme conducted in English at Jamk School of Business in the city of Jyväskylä, Finland. **The studies are not available online.**

Courses

NB: If you apply and are accepted to our Master's Degree programme, all the courses you've completed in the postgraduate diploma can be transferred to your future studies! Note, that the diploma fee does cover the tuition fee for the possible future Master's degree studies.

Management (10 ECTS): Strategic Management and Innovation, Leadership Dynamics

Research and Development (10 ECTS): Research-based Development, Qualitative Research

Sustainable Global Business Management (30 ECTS): Professional Development, Sustainable Marketing and Sales, Sustainable Global Growth Strategies, Emotional Management of International Business Complexity, Corporate Finance and Risk Management, Microeconomics of Competitiveness: Firms, Clusters, and Economic Development

Elective Studies (10 - 16 ECTS): Managerial Accounting, Brand Management, Introduction to Finnish Language, Integration into the Finnish Society

Study Right and Next Steps

Study Right

The study right is granted for one full year (either 1.1-31.12. or 1.8.-31.7.) without a right for extension. The group size per cohort is a maximum of 40 students.

Study Fee and Cancellation Terms

The study fee per student is **11 500€ (inc. VAT)**. If you are accepted, Jamk will send you the study fee invoice – **you confirm your study place by paying the study fee in one instalment**. The receipt is one of the documents required in the student's resident permit application.

Jamk can only refund the study fee if a student's residence permit application is declined. In this case, Jamk needs an official decision from the Finnish immigration service of the declined residence permit decision before the study fee is paid back for the student.

Residence Permit

Non-EU/EEA students need a student residence permit to study in Finland. The residence permits are granted by the Finnish Immigration Service (MIGRI). You can find detailed information and advice on the residence permit requirements and procedures on their website.

Please note that Jamk does not process the visa / residence permit applications nor can give any advice or guidance regarding the application process. Please contact Finnish Immigration Service in all issues regarding this matter (www.migri.fi/en).

Programme Feedback from 2023

"In Jamk University, I was able to understand management at the international level, and for this, I would like to thank all the teachers and faculty members."

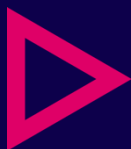

Settling Down in Jyväskylä

Jyväskylä has a vibrant and lively international atmosphere, including an Indian community that can help you to get started with your life here. You can work part-time while you study and there's a wide variety of housing options just a short distance away from the campus.

The living costs in Finland are close to Western European average. Students must make sure that their income covers the basic living costs for the entire time spent studying in Finland.
