

## APPLICATION FOR RECOGNITION OF PRIOR LEARNING

### Professional Teacher Education

Student: \_\_\_\_\_

Group: \_\_\_\_\_

I apply for recognition of prior learning from the following study unit:

#### Optional Studies 5-10 cr

Familiarize yourself with the teacher competences before you apply for the recognition of prior learning:

[Teacher Competences](#)

- 1) What kind of competence related to your work as a teacher have you acquired in your previous studies, working life or other contexts? A certificate of employment or a certificate of completed education is not sufficient for the recognition of competence; another type of demonstration of competence is needed.

#### Competences I am seeking recognition for

Professional pedagogical competence  
Interpersonal competence  
Facilitating and guiding learning processes  
Future orientation competence  
Development competence  
Reflection competence  
Agency competence

#### You can tick one or more

- 2) Write a description of how you have acquired the aforementioned competence (by doing what, where and when) and evaluate how your actions have developed this competence (Attachment 1). Instead of just describing what you have done, please describe what you are able to do and on what basis.
- 3) Enclose the evaluation material (Attachment 2) that demonstrates the competence you have described. Collect versatile evaluation materials (e.g. reports, student feedback, different material produced by you, videos, etc.) that you use to evaluate, describe and demonstrate your competence in relation to the competence areas and evaluation criteria of teacher education.
- 4) My proposal for the scope of recognition of competence (tick). 5 cr                      10 cr
